Practice records are due in class every Wednesday. Practice records may be turned in after school or up to one day late for a 10 point reduction in credit. Practice records are not accepted for credit after Thursday. Students are to total their own time and write in the correct grade. For every 50 minutes, students receive One ET.

Practice Records

- We believe in the use of practice records.
 - Expectation of accountability
 - Student work deserves credit
 - Morality is a product of character, not teacher expectations
 - Contrary to claims, students who resist practice are not behaving in protest to the expectations of the teacher, but rather out of a lack of value for the investment in practice.

Students who practice improve and are successful. Practice reports help you to organize your practice and receive credit for your hard work. The directors can tell how well and how often you practice by how well you play each day. Remember, honesty is what you do when people are watching. Integrity is what you do when people are not. Demonstrate integrity when completing your practice report.
